# Cloud Based Society

► Businesses are becoming more cloud based everyday!

► Why wouldn't you, as a farmer, want to be cloud based too?

► What technology applications can you implement to become a more cloud based operation?
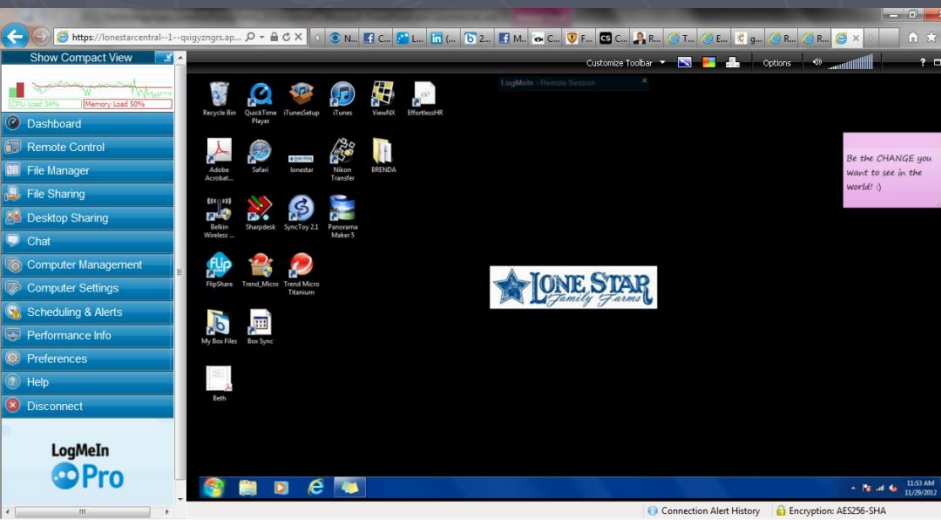

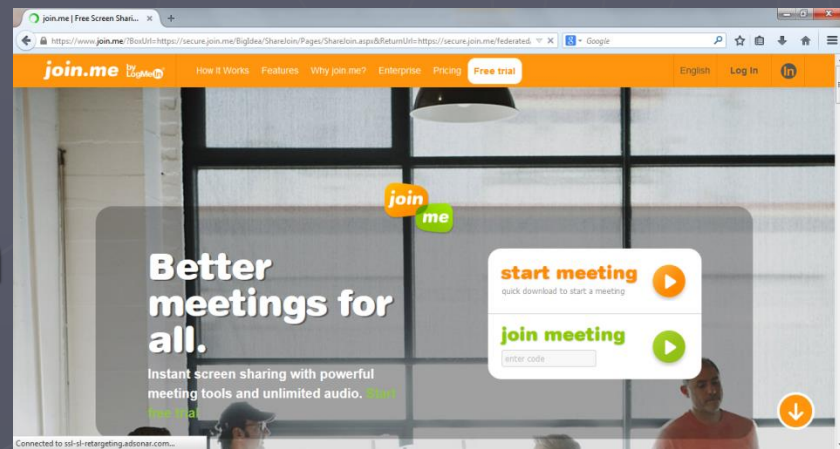

Time Tracking – Clockspot.com

► Electronic Clock In/Clock Out System

Remote Computer Solutions
Logmein.com/Join.me/TeamViewer

► Login to other computers remotely as if you are there

► Apps available for Android/Iphone/Ipad for all of these solutions

► Join Virtual Meetings

► Share your computer screen

FreeConferenceCallHD.com

► Free Conference Calls

► Monitor call in progress

► Can mute & Drop Callers

► Monitor what #'s called in

► Recordable

► Can Use Skype

► Saves History

Box.com

► File System hosted online

► Can administer User Security & Sharing

► Mobile Apps to access directly from device

► Plug-in App to access directly from MS Office

► Sync Files from Computer to Box Automatically

► Alternative to Box.com is Dropbox.com
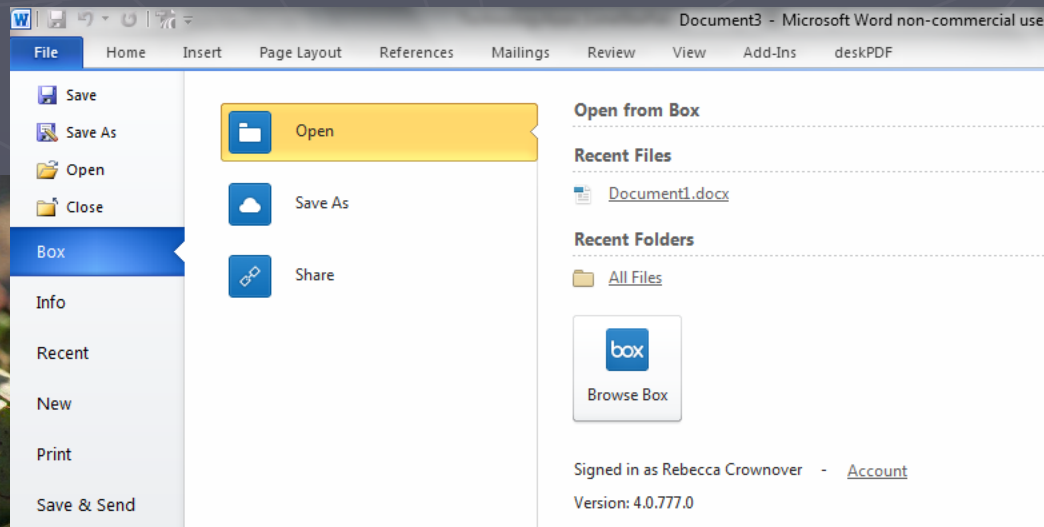

GroupTexting.com

► Communicate with your employees

- Emergencies
- Meeting Notifications
- Reminders

► Communicate by groups

EffortlessHR.com

► Web-based Human Resources System

► Access from any computer or your phone

► Upload Attachments to employee files

► Other services:

- Employee Handbook Builder

- Business Templates & HR Forms

- Job Descriptions Database

- Employee Assessments

- Time Tracking
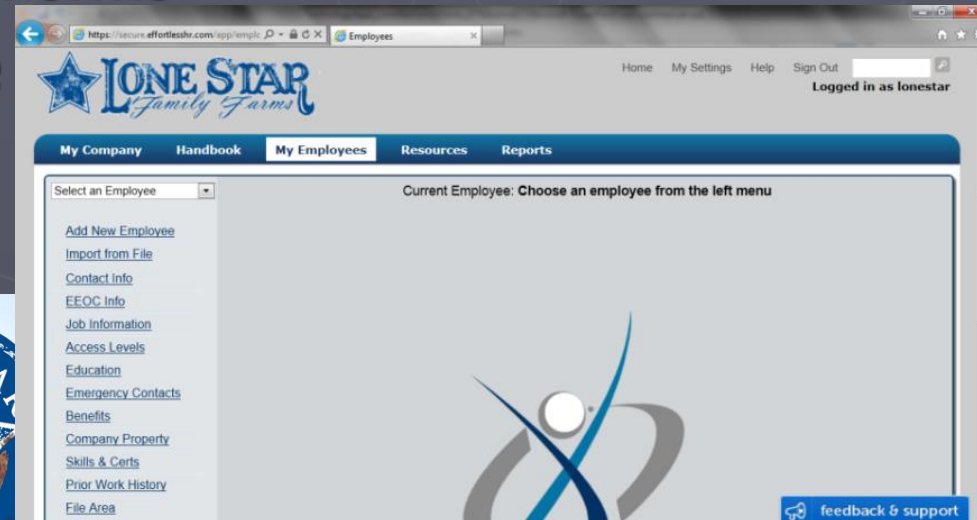

Gmail.com

► All company email is web-based

► Can use your own Domain Name

► Can setup multiple email addresses to come to one Inbox

► Document Sharing

► Calendar Sharing

► Works great with mobile phone

► Other business apps that can be incorporated

► To learn more visit: www.google.com/apps/**business**

Digi iMobile Phone App

► Allows you to view remotely live video (ie. Security Video)

► Monitor live video from your phone
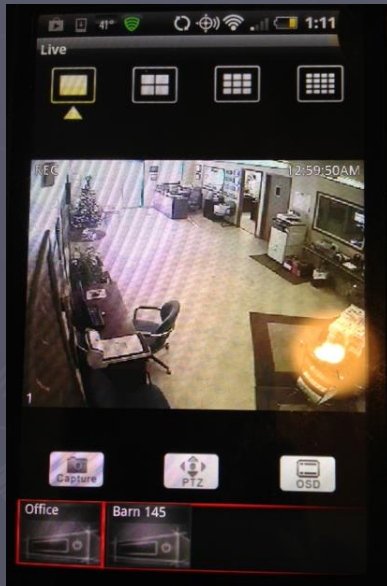

Accuware Inventory System
accuware-inc.com

► Web-based Inventory System

► Customizable for your unique business needs

► Print your own barcode labels

► Scan directly from scanner or phone scanner to system

Main Menu
